Appendix A - Registration, Cancellations, Refunds & Program Changes

Registration can be completed and updated online through our [Family Portal](#). To request a program cancellation or changes please contact the Camp Office by phone (289-819-0178) or email (office@thesteamproject.ca)

Cancellations: Up until June 1, 2021, your deposit and summer camp fees are refundable. Additionally, to assist families in making decisions during the COVID-19 pandemic, the usual service charge of \$100 per camper will not apply.

Refunds: After June 1, 2021, camp fees are NOT refundable. An exception will be made, however, and camp fees for any unused camp days will be refunded if the government does not allow camps to open OR shuts camps down mid-season due to COVID-19. All refunds will be issued after September 1, 2021 within 30 days.

Program Changes: Sessions may be changed within Summer 2021 at no extra cost as long as there is space available. Extending your child(ren)'s number of sessions at camp will be subject to availability and will incur the fees that are in effect at the time of change.

Shortening Sessions: Shortening your child(ren)'s enrolment dates (example: shortening your registration from 3 sessions to 2 sessions) after payment has been made in full will result in a credit for the unattended sessions that can be used for the following camp season. Credits do NOT apply to full cancellations. Promotions applied at the time of registration will also be adjusted.

Missed Camp Days: Our fees are for a personal reservation for a specific period and not a day by day fee. We therefore will not refund fees for days missed for any reason, other than for a camper displaying symptoms of COVID-19 or a positive case of COVID-19. Days missed cannot be made up.
