

Dear Families,

Welcome to The STEAM Project's **Tesla Crate** Program! We're looking forward to getting started. Below you will find information about preparing for your course:

What's inside your kit:

5

Unique projects

Tool kit with wood glue, popsicle sticks, sandpaper, tape

Hardware and Software Requirements:

- Any device that can run Google Meets (with webcam and mic)

Safety Information:

- This product contains **small and sharp parts**. Keep an eye out around young children!
- Some projects have parts that will rotate or move when they work. Be **careful when operating** them to avoid injury and/or damaging the part.
- Use the parts in the kit in accordance with each lesson. If you do not know how to use or wire a part, **ask an instructor** before connecting it to any source of power (e.g. batteries).
- Store the kit and all parts in a dry place away from direct sunlight.
- Unplug and **turn off all power when not in use**.

Class Rules:

--- *Before the first class* ---

- Sign up for the **Google Classroom** at least **one day before the first class**.
- Your Classroom code is available through a PDF titled "**Household Confirmation Letter**". The meeting links will be posted in the Classroom.

TESLA CRATE

--- To prepare for class ---

Prepare a **clean workspace**.
Use newspaper or something similar to **protect surfaces**

Plug in your device or make sure it's **fully charged**

Arrive on time - after 5 minutes, you may not be able to be added as the instructor may be busy

--- During class ---

- You can turn off your video if you are not sharing something with others.

Raise your hand to indicate to the instructor that you have a question

Please use the **chat** only for **relevant discussion**

Mute your microphone when you are not speaking to the class or instructor

- For the first class, the instructors will spend time making sure everyone is comfortable and that the equipment is working.

--- After class ---

- Students can ask questions to their instructor, communicate with other students, receive updates, and links to online resources & bonus projects through the Google Classroom.
- If there is a **planned absence, please notify us by emailing: virtual@thesteamproject.ca**
 - For missed classes, resources will be available through Google Classroom.

Sincerely,
The STEAM Project Family
